SUMMARY

As a motivated B.Tech Computer Science and Engineering student, I possess a strong foundation in computer science concepts and programming languages. My coursework and projects have equipped me with valuable skills in software development, data structures, algorithms, and problem-solving. I am enthusiastic about staying updated with the latest industry trends and technologies, and I am eager to contribute my knowledge and passion to a dynamic team.

WORK EXPERIENCE

WEB DEVELOPMENT FRONT-END INTERN

1STOP.AI

08 AUG, 2023 - END DATE

Developed responsive and user-friendly web interfaces, enhancing the overall user experience and reducing bounce rates by 15% during my front-end web development internship

EDUCATION

BACHELOR OF TECHNOLOGY IN COMPUTER SCIENCE

SANDIP UNIVERSITY, NASHIK, MAHARASHTRA

2022 - 2025

Currently pursuing a B.Tech in Computer Science and Engineering at Sandip University, with a focus on gaining expertise in cutting-edge technology and software development

HSC

BA, TALREJA JR. COLLEGE, BADLAPUR,
MAHARASHTRA

2021 - 2022

Completed Higher Secondary Certificate (HSC) with distinction from the Maharashtra State Board, showcasing strong academic performance and commitment to education.

SSC

SUNRISE INTERNATIONAL SCHOOL, BADLAPUR,
MAHARASHTRA

2019 - 2020

Successfully completed Secondary School Certificate (SSC) with distinction from the Maharashtra State Board, demonstrating a strong academic foundation and dedication to learning.

TEXT SECTION

Proficient in a range of computer languages and skills essential for software development and web design. I have a strong grasp of C and C++ for low-level programming and algorithm development, which are crucial for efficient software development. Additionally, my expertise in HTML and CSS allows me to create visually appealing and responsive web interfaces, ensuring a seamless user experience on various devices.
